## INFLATABLE TOYS

Inflatable toys have been already created in Fatra, a.s. in the seventies of the last century and their simple shape has harmonized perfectly with their unique colour design up to the present.

We believe that our original products enchant you and you'll prefer the high quality Czech work before the Asian competitors that dominate in our stores. Furthermore, we can guarantee to all our products the health certificate.

- traditional
- design
- safe
- washable

## NEW TOYS

Thanks to the originality and unconventional creative thinking can become from ordinary inflatable toy an unforgettable design element. This is evidenced by a new toys from renowned Czech designers - Jan Capek, Anna and Jerry Koza and Zuzana Lednicka. Jan Capek followed the tradition of toys for seating from Libuse Niklova by his design of Dog Bulik, which won in 2013 a Design Award at Designblok in Prague. The couple Anna and Jerry Koza are authors of toys Goat. Their common element is the possibility of insight into the interior of toy through transparent eyes.
